## How Sharing Works

OneShare Health acts as the facilitator, bringing together first-class processes and providers for the sake of our Members. We strive to provide a superior experience.

A portion of Monthly Contributions is designated for Sharing Requests

## Stretch your Healthcare Dollar

Members have access to an easy-to-use Provider Locator tool from First Health to find network Providers.

Members are not required to use a network Provider but could end up with additional sharing responsibility if they choose an out-of-network Provider.
